Note: We have paper score sheets if you are interested but most people just play for fun. Please make sure everyone understands the following rules:

1. **Adult supervision is required at all times.** When children are present, adults/parents are responsible for reviewing, teaching, and following the Safety Rules.
2. No food/drink in the bowling area. No gum anywhere. Water only.
3. Special bowling shoes are not required. Non-marking shoes are preferred.
4. **Please note: bowling lanes are oiled and slippery.** Only use the walkway for walking. Do not climb or hang on the railings at any time.
5. **Communication between the bowlers and pin-setters is essential.** Pinsetters should access the far end using the walkway along the side by the railing, and climb over pin-setting apparatus. Setters need to lift legs up and put arms up over their faces when a bowling ball is coming and pins are flying.

6. **Exercise special caution operating the manual pin setting rack.** It pushes down, with a light shove, to drop pins in their proper places. Release bar slowly, after pins have stopped wobbling.
7. Bowling balls must remain inside the designated bowling area at all times, and pins must remain at the far end.
8. Do not drop or bounce bowling balls.
9. Bowling balls must be securely held or set in rack while pinsetters are resetting the pins or entering/leaving the lanes.
10. **Clean up the pin-setting area and lanes afterwards.** Responsible party may be liable for additional fees for cleaning or repairs.
11. Bowlers may use restrooms and Cafe Kitchen, adjacent to bowling alley. River Level will be blocked off from support posts and beyond, unless renting rest of River Level.
12. Maximum time in building is 3 hours. No exceptions. Bowlers may request use of ping-pong table, within the same area and timeframe.
13. Bowlers must remove all trash & recyclables, stack any chairs, wipe up any spills on tables and floors. Brooms and mops & cleaning supplies are in kitchen. Users must sanitize chair backs and table tops before leaving building.
